

Your Insurance. Your Way.

Finding the Right Plan at the Best Price

The Michigan Chamber of Commerce and AmeriTrust Group, Inc. and its affiliated company, Ameritrust Insurance Corporation, have developed a workers' compensation product specifically for Michigan Chamber members.

The product provides the statutory workers' compensation coverages needed by Michigan employers at a competitive price.

Members in good standing are eligible for a 10% credit just for belonging to the Michigan Chamber of Commerce.

Other credits are available based on business attributes.* Ameritrust Insurance Corporation offers excellent claims and safety services as well, rounding out this offering.

Member Benefits Include:

- Coverage options to meet your business needs
- Competitive pricing
- Superior claims handling
- Dedicated customer service representative
- 24/7 access to www.Safetysurance.com, an online workplace safety and risk management resource library

Both the Michigan Chamber of Commerce, and the AmeriTrust Group, Inc. insurance carriers and service companies have been helping small businesses for more than 60 years. Our partnership can help business owners protect themselves and strengthen their bottom line.
